# Ethical Dilemmas And Decisions In Criminal Justice

## Synopsis

Develop the ethical decision-making skills that are essential in the field of criminal justice with the help of *ETHICAL DILEMMAS AND DECISIONS IN CRIMINAL JUSTICE*, 9th Edition. Packed with current, real-world examples, the text offers comprehensive coverage of ethics across all three arms of the criminal justice system: the police, the courts, and corrections. It combines coverage of the philosophical principles and theories that are the foundation of ethical decision-making with the latest challenges and issues in criminal justice -- militarization of the police, mass imprisonment, wrongful convictions, the misuse of power by public servants, and more. Hands-on exercises, real-life cases, and practical scenarios illustrate the significance of ethics in today's criminal justice arena. Whether you plan to work in the field of policing, courts, or corrections, this book delivers the information and tools you need to deal effectively with ethical challenges on the job.

## Customer Reviews

If you're looking at this product, it's probably because it's a required text for a college course and this review does not matter. You are going to buy it regardless. Still, I will offer some insight. This book is similar in many ways to other ethics textbooks and presents basically an introduction to ethics with a criminal justice slant. I used this in a graduate course and actually ENJOYED the textbook, especially the introductions with real-life examples of ethically dilemmas and the various scenarios scattered throughout the book.

It was a school text! was in great condition!

Well written, easy read. Lot of information

My rental came in perfectly . Thank you !

Needed it for class super cheap
