The Cat In The Dryer: And 222 Other Urban Legends

Synopsis

What's an urban legend? It's a story that gets passed around so frequently that no one really knows how it began. All we know is that the tale is so amusing, dark, coincidental or ironic that, whether it's true or not, we are dying to believe it--and pass it on. In the successful tradition of *Alligators in the Sewer* and *The Baby on the Car Roof*, this all-new collection of over 200 urban legends offers the latest and greatest tales so weird and funny that they just have to be true. Including the firemen who rescued a stranded cat and then ran over it; the baby born in flight who was given free air travel for life; the drug-test cheater who was caught when his urine sample revealed him to be pregnant. Organized by genre, each story in *The Cat in the Dryer* runs one or two pages, and features possible variations and embellishments. Subjects range from famous people to disturbing pranks, from holiday nightmares to creepy stories, and from military misadventures to pet disasters.

Book Information

Series: Social Indicators Research Series

Hardcover: 256 pages

Publisher: Black Dog & Leventhal; First Edition edition (August 5, 2002)

Language: English

ISBN-10: 1579122582

ISBN-13: 978-1579122584

Product Dimensions: 5.7 x 0.9 x 7.5 inches

Shipping Weight: 2.4 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Customer Reviews

Thomas Craughwell is the brilliant maestro conducting his symphony of tales of a friend's friend. Mr Craughwell has outdone himself with another installment in the increasingly popular series of books on urban legends. He has the passion and heart that many authors of today lack. He plunges into the deep caverns of the darkness of the human psyche with the tales "Back From The Dead" and "Royal African Millionaires Neep Your Help!" His other works provided meaningful and thought comments on socio-economic problems as well as his own quaint philosophies. "Saints For Every

Occasion," the "50 States Fandex," and the "Book Lover's Page-a-Day Calender" all give the reader an incredible insight into the mind that is Thomas J Craughwell.

This is my first Urban Legend book and now I'm hooked on them. The first one I read was 500 Best Urban Legends and it was great. This book however was much better. From Skinned Tom to the Haunted Shower this was a great book. Most of this book was political but still a good book. If you like Urban Legends this is a must have.
