## Customer Reviews

Digital is the way to go, super handy if you have a tablet/nook. MUCH cheaper than print version so there's a money saver

I believe a lot of the stuff in here. Not very interested in the subject though.

It works, but you have to download Kindle in order to view the text.

this book is helps me understand the material better.

I can't open this book on any device

i mean i needed it for school and had the cheapest price 5 star for me

Exactly what I expected!

Good and clean book.
