Customer Reviews

In general love and logic offers some awesome ideas. Many help keep the parent and teacher sane while handling the situations.

Great resource! I have an ADHD 11 yr old and this transformed our household!

Have a child with ADHD? There's help! This helps.

Not realistic for everyday working parents...

very good cd

definitely look into the style of behavior correction this approaches from. it did however have a couple good tips... I just didn't like the style
