The Everything Parent's Guide To Sensory Processing Disorder: The Information And Treatment Options You Need To Help Your Child With SPD

Synopsis

If your child has been diagnosed with sensory processing disorder (SPD), you understand how simple, everyday tasks can become a struggle. With *The Everything Parent's Guide to Sensory Processing Disorder*, you can help your child learn how to reduce stress and minimize the symptoms of SPD. In this all-in-one guide, Terri Mauro provides all the information you need regarding SPD, including:

- An in-depth definition of SPD and its effects.
- The newest treatments, therapies, and diets.
- Techniques for use outside of the therapist's office.
- The latest research on physical causes of SPD.
- Advice for coping at school, home, and play.

Your child deserves to live a life free of the difficulties SPD can bring. *The Everything Parent's Guide to Sensory Processing Disorder* gives you professional advice to help your child to manage sensory needs and feel calmer, happier, and in control, now and in the future.

Amazingly helpful book! I first bought this for my kindle but it was so helpful in all of its information, I ordered it in paperback to have on hand and share! This book explains a lot about sensory processing and helped me to understand my daughter better! HIGHLY recommended!!

bought it for my daughter she has a son that has spd. the book is already dog eared...she loves the book

Haven't finished yet, but extremely readable and really helping me understand SPD.

Answered many questions. Great source!

Good reference information

A godsend!!!
