Catholic High School Entrance Exams W/CD-ROM 2nd Ed. (Catholic High School Entrance Test Prep)

Synopsis

Will your child be attending private high school? Then get the REA's Catholic High School Entrance Exams Test Prep for the COOP & HSPT & TACHS! Whether applying to a Catholic high school or other private high school, our test experts show students how to master the COOP (Cooperative Admissions Examination), HSPT (High School Placement Test), and TACHS (Test for Admission into Catholic High Schools) entrance exams. Completely aligned with the most recent test administration, our in-depth subject reviews cover every topic tested on each exam. The COOP review features sequences, analogies, quantitative reasoning, verbal reasoning (words and context), reading and language arts, and mathematics computation. Our HSPT review includes verbal & quantitative skills, reading, mathematics, and language skills. Review material for the optional sections of the HSPT exam (general science, mechanical aptitude, and Catholic religion) is included on CD. The TACHS review covers reading, language, mathematics skills, estimates, and ability. Our test prep gives you everything you need to succeed: Focused content reviews Proven test-taking strategies 6 confidence-building practice exams - 2 COOP, 2 HSPT, and 2 TACHS Detailed explanations of questions & answers Powerful diagnostic software to boost your score Key tutorials and targeted drills reinforce the specific skills and abilities needed for each test. Test-taking strategies and study tips are included to boost your confidence and ease test-day anxiety. The book includes 6 complete practice tests (2 for each exam), allowing you to test what you've learned and build your skills. Our TestWare CD features a timed practice test for each exam. The CD comes with automatic scoring, diagnostic feedback, and on-screen detailed explanations of answers. Specifically designed to prepare students for the next step in their education, this test prep is perfect for classroom, family, or individual study! Want to get into the school of your choice? Then get the guide that will boost your score!

Customer Reviews

I bought this book for my 8th grade daughter who is preparing to take the 8th grade COOP in November. The book is filled with many tests that are broken down into the categories (Math, Vocabulary, Reading Comprehension, Analogies etc) that she will see on the actual test. There are also answer guides that give explanations and reviews on all topics.

The CD-Rom and ability to take the practice test using the computer, receive automatic scoring and get feedback and suggestions for questions answered incorrectly was a huge plus. I am glad that I purchased this product. This was a differentiator among the various options available.

We recently took in a child who is in 8th grade and she has only been in public school. The book has helped us begin to bridge her gaps and get into our local Catholic High School. I would have no problems recommending this book to anyone.

Thought my son would like the online tests better than taking the tests by hand, but I was wrong. He found it cumbersome. The book itself is good though. We bought it for the HSPT. Be warned though, there aren't a boatload of HSPT tests out there - we found four unique tests (after looking in 4 books with two tests each). Different publishers don't guarantee different tests. If you have a book with HSPT tests already, verify that this book does not have the same tests.

I contacted the seller who stated that they did not have this item in stock. This book did not include the CD with it as a study aid (the only reason that I went with this company. A lot of valuable study time has passed with out this situation being resolved yet.

very good learning tool my granddaughter along with the other exams book that I ordered from .com I know that both books will help her with the entrance exams that she will take soon
