## Customer Reviews

I like Steck-Vaughn. I am an old Chinese woman. I can't speak good English. I bought and studied Steck-Vaughn's Math, Social, and I passed it on my GED test. right now, I am working on the Steck-Vaughn's Science. I'll take the test this month. I've bought Steck-Vaughn's Language set, it'll be my next material to study on. Steck-Vaughn really helped me. It is a very good material for the GED test.

This book will be an excellent additon to my teaching resources for my GED volunteer tutoring.

Exactly what I was looking for. Thank you!

Book is as described. Good deal!

because you can understand what you need to do in the book. It is relly easy to do the work in the book

Recommend it for who prepares to take the GED test. It is really a source for you to pass the test.

Great book!
