ISBN-10: 0895870886

ISBN-13: 978-0895870889

Product Dimensions: 5.5 x 1.3 x 8.5 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (10 customer reviews)

Best Sellers Rank: #1,225,144 in Books (See Top 100 in Books) #93 in [Books > History > Americas > United States > Civil War > Naval Operations](#) #2813 in [Books > History > Military > Naval](#) #12313 in [Books > History > Military > United States](#)

## Customer Reviews

The books in Trotter's trilogy, "The Civil War in North Carolina" (the other volumes are "Silk Flags and Cold Steel: The Piedmont" and "Bushwhackers: The Mountains"), were published as independent volumes and can be enjoyed as such. But one can't get a good understanding of the Civil War in North Carolina by reading only about a single region. I strongly suggest that serious students of the war, or of North Carolina, take time to read the entire trilogy. Aside from John G. Barrett's "The Civil War in North Carolina," Trotter's trilogy is the only modern comprehensive account of the war in the Tar Heel state. (See also my review of Barrett's book at [.com](#).) Unlike Barrett's rather academic, formal approach, Trotter is as concerned with telling some good stories as he is with documenting North Carolina's role in the war. He includes a fairly extensive bibliography in each volume, but apparently he relied mainly on published sources, and the footnotes are very sparse. This is not to say that his work is inaccurate or invalid, but it is hardly the ultimate account of the war in North Carolina. His geographical division of the three volumes also presents some problems. Much information about the state's entry into the war and about its political aspects is found in the volume on the Piedmont, "Silk Flags and Cold Steel," but the most important battles in the first three years of the war -- which had an influence on these political events -- are covered in "Ironclads and Columbiads." These two volumes also contain many later events that

"interact," for example, the closing battles in March and April of 1865. And some events in "Bushwhackers" - most notably, Stoneman's cavalry raid in the final weeks of the war - also lap over into Piedmont.
