Personal Theology: Essays In Honor Of Neil Gillman (New Perspectives In Post-Rabbinic Judaism)

Synopsis

Neil Gillman has been a part of the JTS community for over 50 years as a student, administrator and member of the faculty. His most enduring contribution as a scholar and a teacher has been a renewed focus on the importance of theological reflection in rabbinic education and Jewish education, both in the Conservative movement and Jewish life generally. This volume seeks to honor Professor Gillman's contributions to Jewish scholarship and education by collecting essays by his colleagues and students that discuss the issues most central to his work, namely Jewish theology, Conservative Judaism and Jewish education.
