Customer Reviews

The Informed Argument, Brief Edition is written in such a way that it is not a quick read, at least for me. But very informative nonetheless :]

This book is informative, but it does have some topics I did disagree with. On the other hand, to understanding concepts its okay.

Just as described. Great shipping time!

Great book I needed for school

Perfect!

When I received my book, I didn't know what to expect. It took only a couple days to get here and I was very happy with the results. It is in perfect condition! Now I know where to get my books! Thank

you.
