St. Lawrence County In The War Of 1812:: Folly And Mischief (Military)
The fledgling United States struggled to keep its freedom from Great Britain during the War of 1812, but St. Lawrence County in upstate New York played a divided role. The region shared a border—as well as close personal and business associations—with British Canada and opposed the American embargo that disrupted these relationships. While some St. Lawrence men fought bravely for America, smuggling was a common way of life. Several small battles and skirmishes took place along the river, and a local merchant even influenced President Madison’s decision-making. Local historian John Austin recounts these and other events, as well as the fascinating North Country characters who influenced them, in this book on St. Lawrence County in the War of 1812.

Book Information

Series: Military
Paperback: 160 pages
Publisher: The History Press (September 10, 2013)
Language: English
ISBN-10: 1626191484

Customer Reviews

The author provides much information, insight, and perspective I have not seen elsewhere. This book is a very rewarding read.
